SAP® 2023 | **CONTROLLING FINANCIALS**

Conference for SAP® Professionals

FEATURED SESSIONS

Special Session: SAP Press Live John Jordan, Janet Salmon, and Emily Nicholls

Monday, 8:30 AM - 9:30 AM

Emily Nicholls, publishing director at Rheinwerk Publishing, will lead a discussion of the book *Production Variance Analysis in SAP S/4HANA*, co-authored by John Jordan and Janet Salmon, live at the SAP Controlling Financials 2023 conference in San Diego, CA. This session will be part of the official keynote at this year's conference.

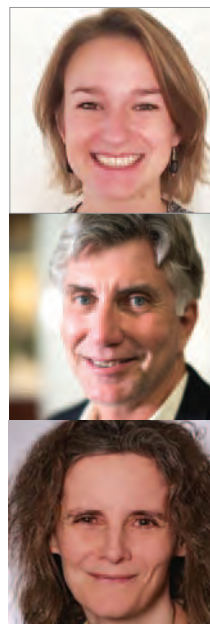

About the Authors:

John Jordan is the founder and principal consultant at ERP Corp, which provides SAP consulting and training.

Janet Salmon is the chief product owner for management accounting at SAP SE.

Attendees at the SAP Controlling 2023 conference will have the opportunity to see this event live and in person. Join Emily, John, and Janet at the main stage to learn about SAP S/4HANA production variance analysis and get your questions answered live!

You can find detailed speaker bios and session abstracts at: <https://controlling.erpcorp.com>.

Paul Ovigele — Keynote Speaker
